Catering Policy

Catering Staff

Catering staff, including kitchen staff, function coordinator, wait staff, carvers, and kosher supervision are billed at an hourly rate per accommodator, for a 3 hour minimum.

Guarantee/Cancellation

Final counts for any event must be given at least five business days prior to your function date. In the event of inclement weather, customers may reschedule events within a two-day period. If the event is cancelled and not rescheduled, the customer will be responsible for the costs incurred to that point.

Rental Service

Arrangements can be made for rental of tables, chairs, china, tents, linens, etc. These arrangements will be made and coordinated for your event and will be billed by us for your convenience.

Deposits and Payments

A 50% deposit will be required when booking functions of \$500 or more. Deposits will be due upon signing a contract for your event. The remaining balance will be due on or before the day of the event by cash, check or credit card (which must be pre-approved prior to event for remainder of balance). Supplemental charges, if any, will be billed on the day of the event. We gladly accept Visa® and Mastercard®.

Additional Charges

Any additional charges incurred by Rubin's, such as permits, kitchen fees, hall set-up charges or breakdowns will be billed to the client.

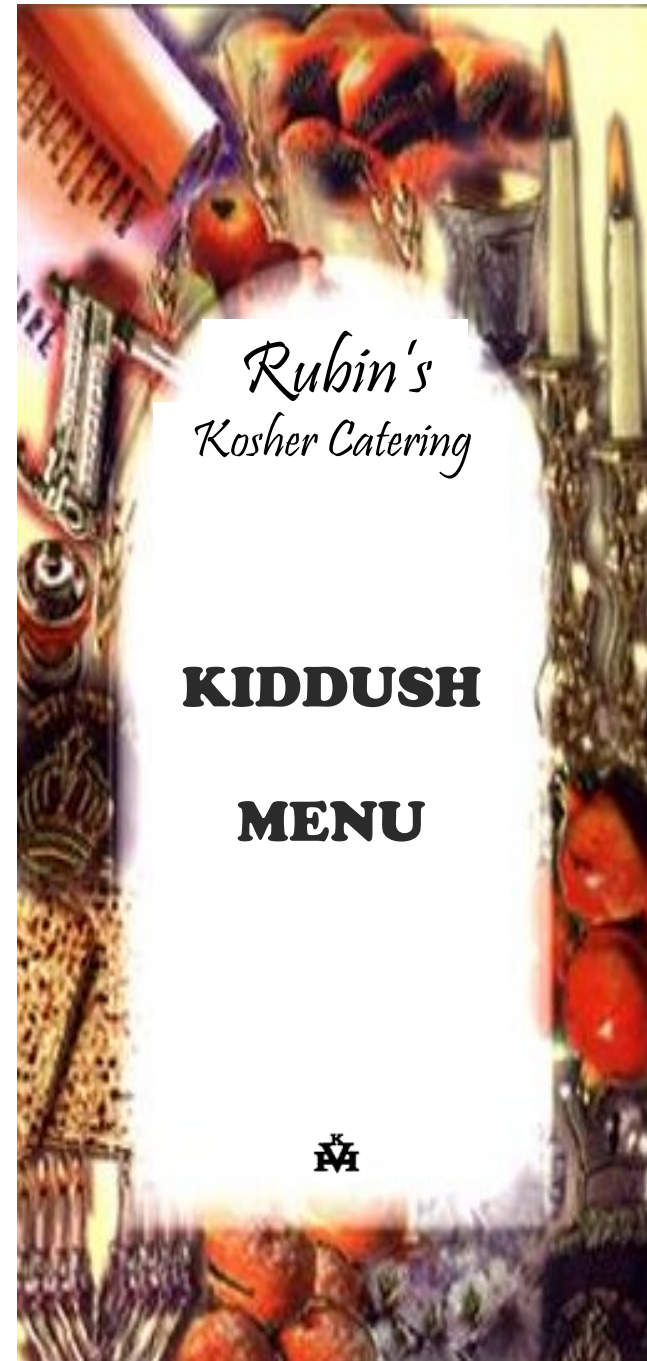

Massachusetts Sales Tax

A 5% sales tax will be added to function cost where applicable.
